

UTAH VALLEY UNIVERSITY'S

COLLEGE *of* SCIENCE CONVOCATION

83

FIRST OF MAY, TWO THOUSAND TWENTY-FIVE

COLLEGE OF SCIENCE

Message From the Dean

1

I am thrilled that you have completed a degree in the UVU College of Science! By earning this degree, you've shown the world that you're not only brilliant but also dedicated to putting in the hard work necessary to achieve long-term success for yourself, your family, and your community. Your degree has equipped you with the skills and abilities to unlock a wide range of rewarding career opportunities that will benefit both you and others.

The evidence is clear: As a holder of an advanced degree, you're now more likely to be an active participant in civic society through voting and volunteering, and you're on the path to finding greater happiness in life. This is truly something to celebrate!

For all of us at the College of Science who played a role in your educational journey, seeing you succeed is the ultimate reward. We're sure there are a few individuals who stand out as having been particularly supportive — perhaps a professor whose teaching inspired you, an advisor who guided you along the way, or an administrative assistant who always made you feel welcome and helped you find the resources you needed. Over the next few weeks, please take a moment to express your gratitude to these individuals. Trust me, hearing from you will mean the world to them!

If there are any ways we could have made your experience at UVU even better than it was, please let me know. While I'm incredibly proud of our faculty, staff, and resources, I'm always looking for ways to improve and would love to hear your thoughts.

As you move forward, remember that you'll always be a Wolverine at heart! You'll likely achieve many more milestones — landing your dream job, graduating from medical school, or making a groundbreaking scientific discovery. When these successes come, I hope you'll think back on the role UVU played in your journey and reach out to share your achievements with the faculty and staff in the College of Science. I can't wait to see the amazing things you'll accomplish!

I wish you the best,

Daniel Horns, Ph.D.

Dean, UVU College of Science

COLLEGE OF SCIENCE

8:00 am, May 1, 2025
UCCU Center

Welcome and Comments	Daniel Horns, <i>Dean</i>	3
Valedictorian Address	Megan Astle <i>Bachelor of Science, Exercise Science and Outdoor Recreation</i>	
Salutatorian Address	Tessa Black <i>Bachelor of Science, Biology</i>	
Presentation of Graduates	Daniel Horns, <i>Dean</i> <i>Department Chairs, College of Science</i>	
Reading of Names	Jason Slack, <i>Associate Dean</i> Taggart Archibald, <i>Assistant Dean</i>	
Closing Remarks	Daniel Horns, <i>Dean</i>	

ProPics will take photos of each graduate multiple times during the convocation ceremony. Within 48 hours after the ceremony, graduates will receive a secure PIN to view photo proofs online.

Please join the College of Science at a reception honoring our graduates after the ceremony until noon at Center Stage in the Sorensen Student Center.

POPE SCIE

COLLEGE OF SCIENCE

Valedictorian

5

MEGAN ASTLE BYE

Bachelor's Valedictorian

B.S., Exercise Science and Outdoor Recreation

Outstanding Student Award: Exercise Science and Outdoor Recreation

Megan Astle Bye is from Draper, Utah, and attended Corner Canyon High School before coming to UVU. She is receiving a bachelor's degree in exercise science and outdoor recreation from UVU. Astle transferred to UVU from Utah State University to be closer to family. She joined the Wolverine women's soccer team in addition to her academic achievements, which include a 4.0 GPA, multiple dean's list appearances, and several research publications. Astle said the best part of UVU is the opportunity to get involved with hands-on lab experience. After graduation, Astle plans to pursue further education and a career in biomechanics and start a family with her husband, Dallan.

Salutatorian

TESSA BLACK

Salutatorian

B.S., Biology

Tessa Black is from Flowery Branch, Georgia, and attended Flowery Branch High School before coming to UVU. She is receiving a bachelor's degree in biology from UVU. While at UVU, Black worked as a teaching assistant for eight semesters across three different classes. She received the 2024 Utah Award for Outstanding Undergraduate Student, ACS Utah Chapter, among many other awards and honors, and has presented research at multiple conferences. After graduation, Black plans to complete a one-year post-baccalaureate program in biochemical research, followed by a Ph.D. in biochemistry, studying protein evolution.

Outstanding Student Awards

The following students were recognized as being among the best of the College of Science. These students have performed exceptionally well in their classes and made other significant contributions. Some of the students have participated in research projects of regional or international importance; others played key roles in service-learning projects. Many took on leadership roles within their departments, helping classmates with assignments and mentoring lower-level students.

As a group, these Outstanding Students have raised the academic bar at UVU, helped us be more engaged with our community, and made UVU an even more prestigious institution.

OLIVIA FRARY

Outstanding Student Award: Biology
B.S., Bioinformatics

Olivia Frary is from Provo, Utah, and is receiving a bachelor's degree in bioinformatics from UVU. Her academic achievements include receiving a full-ride scholarship to UVU, studying abroad in Italy, presenting at multiple conferences with grant funding, and being awarded dean's list recognition every semester. Frary said the best thing about UVU is the support from faculty and peers. After graduation, she plans to continue pursuing her interests in evolutionary biology through research in a Ph.D. program.

ELISE BENNETT

Outstanding Student Award: Biology
B.S., Biotechnology

Elise Bennett is from Salt Lake City, Utah, and graduated from Skyline High School before coming to UVU. She is receiving a bachelor's degree in biotechnology from UVU. Bennett has been in UVU's Honors Program for four years, including serving as an Honors Ambassador and resident leader. She is most proud of getting people excited about science by involving students in projects or reaching out to younger kids. After graduation, Bennett plans to apply to graduate programs in synthetic biology and continue research in various subjects. She loves to climb, run, cook, and craft.

BARBARA SHELLEY JETTON

Outstanding Student Award: Biology

B.S., Bioinformatics

Barbara Shelley Jetton is from Taylorsville, Utah, and attended Sunlake High School in Florida before coming to UVU. She is receiving a bachelor's degree in bioinformatics from UVU. While Jetton was brought to Utah for her husband's job, she knew she wanted to continue her education. She has appeared on the dean's list and served as co-president of the Bioinformatics Club at UVU. She has also presented research at regional and national conferences. After UVU, Jetton will attend the molecular biology doctoral program at the University of Utah.

TABITHA WEIR

Outstanding Student Award: Biology

B.S., Biology and Botany

Tabitha Weir is from Lindon, Utah, and attended Timpanogos High School before coming to UVU. They are receiving a bachelor's degree in biology and botany from UVU. While at UVU, Weir presented research at several conferences, including UVU showcases, Utah Conferences on Undergraduate Research, and two meetings for the Entomological Society of America in Hawaii and Phoenix. They also served as the president of the Evolution and Bioinformatics Club for a year. After graduation, Weir hopes to pursue a graduate degree in evolutionary biology or plant pathology. They would like to study interactions between plant metabolites, insects, and their pathogens.

CASSANDRA BEDDES

Outstanding Student Award: Chemistry

B.S., Biochemistry

Cassandra Beddes is from Saratoga Springs, Utah, and attended Westlake High School before coming to UVU. She is receiving a bachelor's degree in biochemistry. Beddes has made the dean's list during each of her semesters at UVU and is a member of the Honors Program. She also worked as a licensed compounding pharmacy technician for four years. After graduation, Beddes plans to attend a pharmacology Ph.D. program and go into drug research and development. Her hobbies include puzzles, Minecraft, and ceramics.

SARAH ADAMS

Outstanding Student Award: Chemistry

B.S., Chemistry

Sarah Adams is from Orem, Utah, and attended Orem High School before coming to UVU. She is receiving a bachelor's degree in chemistry. Adams chose to attend UVU because of its affordability and proximity to family. While at UVU, she was featured on the dean's list multiple times, presented research at the Utah Conference on Undergraduate Research, and obtained employment in her field of study. "My undergraduate research at UVU gave me great experience of working in a lab environment, public speaking opportunities, and collaboration with a team," she said. After graduating, Adams plans to work as a lab technologist trainee at ARUP before possibly pursuing graduate school.

SARAH MARCHANT

Outstanding Student Award: Earth Science

B.S., Geology

Sarah Marchant is from Bluffdale, Utah, and attended Riverton High School before coming to UVU. She is receiving a bachelor's degree in geology. Marchant made the dean's list in each of her semesters at UVU and has presented research at the annual meeting of the Geological Society of America. She said the best part about attending UVU has been the professors and their willingness and eagerness to help students learn and succeed. After graduation, Marchant plans to earn a master's degree in geology and would like to have a career where she can use geochemistry to better understand and help solve environmental issues.

ALJEXI N. OLSON

Outstanding Student Award: Earth Science

B.S., Environmental Science and Management

Aljexi N. Olson is from West Valley City, Utah, and attended Skyline High School before coming to UVU. She is receiving a bachelor's degree in environmental science and management. Olson was awarded the Pro STEM scholarship and consistently placed on the dean's list. She has led multiple research projects and shared her research through presentations at two state conferences as well as a national conference in Washington, D.C. "What I am most proud of is the research I conducted during my time at UVU," Olson said. "Seeing my skills develop with each project has been incredibly fulfilling." After graduation, she plans to continue her education and pursue a Ph.D.

JESS LIVINGSTONE BARCLAY

Outstanding Student Award: Exercise Science and Outdoor Recreation

B.S., Exercise Science

Jess Livingstone Barclay is from Spanish Fork, Utah, and attended Spanish Fork High School before coming to UVU. He is receiving a bachelor's degree in exercise science. Barclay has made the dean's list for three consecutive semesters and has already secured admission to the physical therapy program at Rocky Mountain University of Health Professions. "My professors at UVU have helped me tremendously in understanding that learning is a lifelong process," he said. In five years, Barclay hopes to be a great physical therapist who helps others achieve their goals and improve their quality of life.

CAELIE NOALL

Outstanding Student Award: Exercise Science and Outdoor Recreation

B.S., Exercise Science and Outdoor Recreation

Caelie Noall is from Broomfield, Colorado, and attended Legacy High School before coming to UVU. She is receiving a bachelor's degree in exercise science and outdoor recreation. Noall originally attended UVU for the ASL interpreting program and changed her major to exercise science. During her time at UVU, Noall advanced to becoming a Utah Professional Certified ASL Interpreter, allowing her to thrive in medical interpreting settings. She is excited to pursue graduate school for athletic training.

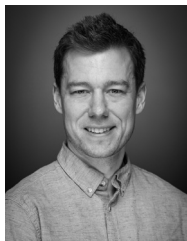

ULISES HERNANDEZ BOMBELA

Outstanding Student Award: Exercise Science and Outdoor Recreation

B.S., Exercise Science and Outdoor Recreation

Ulises Hernandez Bombela is from Lehi, Utah, and attended Lehi High School before coming to UVU. He is receiving a bachelor's degree in exercise science and outdoor recreation. Bombela has been featured on the dean's list every semester starting in 2022 and has been published in the International Journal of Exercise Science. "My time at UVU has been unique due to the many opportunities I've had to apply my education in real-world scenarios," Bombela said. After graduation, he plans to enter the Doctor of Physical Therapy program at the University of Utah and work as a physical therapist specializing in sports or working with patients and children with special needs.

NATHAN KLUNDT

Outstanding Student Award: Mathematics

B.S., Mathematics

B.S., Computer Science

Nathan Klundt is from West Jordan, Utah, and attended West Jordan High School before coming to UVU. He is receiving bachelor's degrees in mathematics and computer science. Klundt is proud of the several research projects he partnered with faculty on, including graph theory with Professor Vasilevska, and presenting at the Undergraduate Research Conference. He said the best part of studying at UVU has been getting to know and interacting with many wonderful students and professors. After graduation, Klundt plans to pursue a Ph.D. in mathematics and study topology and geometry, including applications of these subjects in computer science and physics.

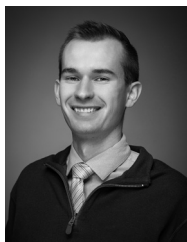

BRITTON BORGET

Outstanding Student Award: Mathematics

B.S., Statistics

Britton Borget is from Springville, Utah, and attended Springville High School before coming to UVU. He is receiving a bachelor's degree in statistics from UVU. While at UVU, Borget worked as a tutor in the Math Lab, in addition to appearing on the dean's list several times and passing two professional actuarial licensing exams. "My time at UVU will never be replicated and will always be special to me because of the people I got to be with," Borget said. After graduation, he plans to work for a company in Florida while pursuing a master's and Ph.D. in statistics or biostatistics.

KURT DECKER

Outstanding Student Award:

Mathematics and Quantitative Reasoning

B.S., Statistics

Kurt Decker is from Lehi, Utah, and attended Karl G. Maeser Preparatory Academy before coming to UVU. He is receiving a bachelor's degree in statistics. Decker attended Utah State University for two years before transferring to UVU. Unsure at first what to study, Decker said, "Here at UVU, I have been helped by many teachers, advisors, and students to explore my options and to try to find joy in the process, too." He hopes to go on to graduate school, work for a nonprofit organization or wildlife/natural resources research organization, teach, and coach high school sports.

LYNLEY PETERSEN

Outstanding Student Award:
Mathematics and Quantitative Reasoning
B.S., Exercise Science and Outdoor Recreation

Lynley Petersen is from Shelley, Idaho, and attended Shelley High School before coming to UVU. She is receiving a bachelor's degree in exercise science and outdoor recreation. During her academic career, Petersen balanced her classes and two jobs and participated in Esprit D.C., UVU's hip-hop dance crew. "UVU has taught me time and time again that not only can I do hard things, but I can find my strengths and capitalize on them further," she said. After graduation, Petersen hopes to start a family while working as a personal trainer.

KENDALL ROSENKRANTZ

Outstanding Student Award: Physics
B.S., Physics

Kendall Rosenkrantz is from Las Vegas, Nevada, and attended Copper Hills High School before coming to UVU. He is receiving a bachelor's degree in physics. Rosenkrantz previously earned an associate degree from UVU with institutional honors, and his research group presented at this year's Utah Conference on Undergraduate Research. After graduation, he plans to attend graduate school and earn a master's degree in medical dosimetry. After completing the program, he plans to work at a hospital, assisting in cancer treatment. Rosenkrantz said he owes everything to his wife, Gwyneth, and looks forward to starting a family together.

TYLER O'LOUGHLIN

Outstanding Student Award: Physics
B.S., Physics

Tyler O'Loughlin is from Pleasant Grove, Utah, and attended Pleasant Grove High School before coming to UVU. He is receiving a bachelor's degree in physics. O'Loughlin was awarded the Dean's Merit Scholarship for the physics department. During his time at UVU, a device O'Loughlin helped build in the CIBEAM lab won Best in Medicine at the Bench to Beside competition at the University of Utah. He plans to attend grad school and earn a master's degree in medical physics, specializing in radiation therapy. O'Loughlin's goal is to become a board-certified clinical medical physicist and return to Utah to live close to family.

DEPARTMENT CHAIRS AND ADMINISTRATIVE STAFF

DEPARTMENT CHAIRS

Heath Ogden, Ph.D., *Biology*

Merrill Halling, Ph.D., *Chemistry*

Weihong Wang, Ph.D., *Earth Science*

Andrew Creer, Ph.D., *Exercise Science and
Outdoor Recreation*

Scott Lewis, Ph.D., *Mathematics*

Lindsey Gerber, Ph.D., *Mathematical and
Quantitative Reasoning*

Bonnie Anderson, Ph.D., *Physics*

DEAN'S OFFICE STAFF

Daniel Horns, Ph.D., *Dean*

Fern Caka, Ph.D., *Associate Dean*

Jason V. Slack, Ph.D., *Associate Dean*

Taggart Archibald, *Assistant Dean*

Kerri Howlett, *Finance Manager*

ReNae Baxter, *Administrative
Assistant IV*

Chris Gonzalez, *Marketing Coordinator*

ADVISORY BOARD

Tamara Goetz, Ph.D., *Executive Director,
Utah STEM Action Center*

Kelvyn Cullimore, *CEO of BioUtah*

Stan Lockhart, *Board Chair and Principal of
The Lockhart Group*

Andy Pierucci, *Manager of State and Local
Affairs at Savage*

Kim Shelley, *Executive Director of the Utah
Department of Environmental Quality*

Ruchika Joshi, *Manufacturing Manager,
Texas Instruments Lehi Fabrication Facility*

Brad Graham, *Associate Director, Molecular
Biology Research and Development, bioMérieux*

Sterling Cornaby, *Senior Scientist, Moxtek*

Doreen Hamilton, *Research Mathematician,
National Security Agency*

Brad Norton, *Vice President of Marketing,
Utah Community Credit Union*

Your tax-deductible contribution to the College of Science, large or small, will make a significant difference in the lives of our students. Funding for student research, scholarships, and academic programs is vital to students' career preparations. To learn more about how you can have an impact, scan the QR code.

GRADUATE DEGREES:

The following individuals have earned or are completing a Master of Science in Mathematics Education.

Master of Science

24

Michelle Adams Brickey
Ashley Ekenstam
Pamela Maybelline Haskell
Ashley Marie Hurd
Jacob Patrick McLean
Kelly Miller
