SMITH COLLEGE OF ENGINEERING AND TECHNOLOGY

Message From the Dean

Dear Graduates,

1

As Dean of the Smith College of Engineering and Technology, it is with great pride and excitement that I extend my warmest congratulations to each and every one of you on this momentous occasion. Today marks a significant milestone in your academic journey, one that has been marked by dedication, perseverance, and unwavering commitment to excellence. Whether you are a mechanical engineer, a culinary chef, or specializing in any other field within our diverse college, your achievements have contributed immensely to the rich tapestry of our institution, and for that, we are profoundly grateful.

As you embark on the next chapter of your lives, I want to assure you that the skills and knowledge you have acquired here at the Smith College of Engineering & Technology have equipped you well for the challenges and opportunities that lie ahead. Whether you choose to pursue further studies, enter the workforce, or blaze a trail of your own entrepreneurial endeavors, always remember the strong foundation upon which you stand. Your creativity, innovation, and ingenuity will undoubtedly shape the world in remarkable ways, and I have every confidence that you will excel in whatever path you choose to pursue.

Lastly, I want to emphasize that your journey with us does not end here. As alumni of Utah Valley University, you will forever remain a cherished part of our community. Our doors will always be open to welcome you back, whether for further education, collaboration on projects, or simply to reconnect with old friends and mentors. Wherever your ambitions take you, remember that you have a home here at UVU and in CET. Congratulations once again, and may your future be filled with boundless success, fulfillment, and joy.

Warm regards,

J. Kelly Flanagan, Ph.D.

JARED BRADSHAW

Bachelor Valedictorian

Bachelor of Architecture

Jared Kieth Bradshaw hails from Highland, Utah, and is proud to be an American Fork High School Caveman. He is receiving a Bachelor of Architecture. Bradshaw switched to UVU from another school after losing interest in his previous career path, along with hearing about his wife's success at UVU. He is graduating from UVU summa cum laude, has made the dean's List every semester, and has won numerous awards for his studio projects. He has also traveled to California, Greece, Italy, and France with UVU's architecture program. Bradshaw plans to continue to grow his business, Bradshaw Wendt Design Studio, while also studying art at the Beaux-Arts Academy.

KAYLEE JOY SNYDER

Associate Valedictorian

A.A.S., Culinary Arts

Hailing from Provo, Utah, Kaylee Joy Snyder graduated from Provo High School before attending UVU. She is receiving an associate degree in culinary arts from UVU. Snyder has been chosen to represent UVU to compete for Student Pastry Chef of the Year for the American Culinary Federation (ACF). "Each of the chefs I have worked with are great businesspeople as well as educators," Snyder said, "and they have taught us not only how to cook but how to manage and run restaurants and cater events." After graduation, Snyder hopes to continue her education and eventually own a restaurant, bakery, or catering company. Outside of cooking, Snyder enjoys attending Broadway shows, Disney, playing piano, and being outside.

Outstanding Student Awards

6

The following students were recognized at an awards luncheon in early April as being among the best in the Smith College of Engineering and Technology. These students have performed exceptionally well in their classes and have been examples to their classmates and faculty. Many participated in competitions and engaged learning, representing the university throughout the world. They were leaders within their departments, helping and mentoring classmates.

These students have raised the academic bar in the Smith College of Engineering and Technology. They help us be more engaged within the community and industry, bringing UVU to the attention of nations.

ERIC NEWMAN

OUTSTANDING STUDENT: APPLIED ENGINEERING AND
TRANSPORTATION TECHNOLOGIES

B.A.S., Transportation Technologies and Technology Management

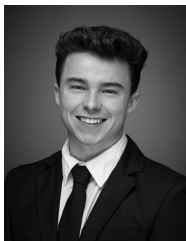

Eric Newman is from Mantua, Utah, and attended Box Elder High School prior to enrolling at UVU. He is receiving a bachelor's degree in transportation technologies and technology management. Newman chose UVU because of the automotive power sports program. "No other school has a program like this one, and it was the best option for me by far," he said. Newman placed first at the state level and sixth nationally in SkillsUSA in the Power Equipment Technologies category. After graduation, Newman plans to own a power sports rental and repair business. He is married and a soon-to-be father of a baby girl.

JOSHUA LYTGOE

OUTSTANDING STUDENT: ARCHITECTURE AND ENGINEERING DESIGN
Bachelor of Architecture

Hailing from Orem, Utah, Joshua Lythgoe attended Wasatch High School before coming to UVU. He is receiving a Bachelor of Architecture. The strength of the architecture program drew Lythgoe to UVU. "UVU's architecture program has helped me gain the theoretical and practical knowledge to be successful in the field of architecture," Lythgoe said. He has won several design awards during his time at UVU and has been published in multiple magazines. Following graduation, Lythgoe plans to work with his father at Lythgoe Design Group while studying for the required exams to become a licensed architect.

KADE BOSSHARDT

OUTSTANDING STUDENT: AVIATION

B.S., Aviation Management

Kade Bosshardt is from Heber City, Utah, and attended Wasatch High School before coming to UVU. He is receiving a bachelor's degree in aviation management. Bosshardt was named on the dean's list four times while at UVU. "UVU helped me obtain my educational goals and gave me more career opportunities than I could have without it," he said. After graduation, Bosshardt will be flying in the outer banks of North Carolina for OBX Airplanes.

AVORIE DAHL

OUTSTANDING STUDENT: COMPUTER SCIENCE

B.S., Computer Science

Avorie Dahl is from Santaquin, Utah, and attended Payson High School. She is receiving a bachelor's degree in computer science. Dahl is graduating with a 4.0 GPA and has made the dean's List every semester during her UVU career. She said a highlight of her UVU experience was her participation in the Disney College Program, which allowed her to gain real-world work experience, develop strong customer service and communication skills, and learn how to adapt to a fast-paced environment. After graduation, Dahl's main goal is to find a career path that aligns with her skills and interests.

AUSTIN YAGER

OUTSTANDING STUDENT: CONSTRUCTION TECHNOLOGIES

B.S., Construction Management

Austin Yager is from Grantsville, Utah, and attended Timpview High School before coming to UVU. He is receiving a bachelor's degree in construction management. "I am proud that I was able to complete my degree while working full-time and gaining field experience," Yager said. "The fact that I was able to gain experience in my field while attending university proved invaluable to my success." After graduation, Yager plans to continue working for Ralph L. Wadsworth Construction as a project engineer in the paving division. Yager said he could not have completed this degree without the loving support of his wife, Raven.

BRETT JOHNSTON

OUTSTANDING STUDENT: CULINARY ARTS INSTITUTE

A.A.S., Culinary Arts

Brett Johnston is from Orem, Utah, and is receiving an associate degree in culinary arts. Johnston has made the dean's List twice and was invited to join the Honors Program at UVU. He said he is proud of the relationships he has formed with classmates as a returning "adult learner." Johnston is grateful for the support of his father, Denton, his stepfather, T.J. and all his family and friends. After graduation, Johnston plans on working in the industry and returning to UVU to pursue a degree in hospitality through the Wasatch Resort Management Program.

ELISA HINTZ

OUTSTANDING STUDENT: COMPUTER SCIENCE

B.S., Digital Cinema Production

Elsa Hintz is from Provo, Utah, and attended Provo High School before coming to UVU. She is receiving a Bachelor of Science in digital cinema production with an emphasis in production and a minor in business management. Hintz has served as a student producer with UVU's F.E.M.M.E. Project and has been accepted to the Utah Film Festival, Zions Indie Film Fest, and the Student Los Angeles Film Awards. After graduation, she plans to start work at a local film production company, seek a master's degree, and eventually own her own film production company.

JADE STEVENS

OUTSTANDING STUDENT: AVIATION

B.S., Aviation Management

LEONARDO MOLINEROS

OUTSTANDING STUDENT: COMPUTER SCIENCE

B.S., Computer Science

Leonardo Molineros is from Santiago, Chile, and attended Liceo Salesiano Manuel Arriarán Barros before coming to UVU. Molineros said UVU helped him make the professional connections necessary to succeed. He most enjoyed his computer forensic classes, the cybersecurity club, and rock climbing at the Student Life & Wellness Center. He plans to further his education with additional certifications and possibly a master's degree.

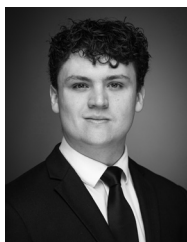

COLE ROBISON

OUTSTANDING STUDENT: MECHANICAL AND CIVIL ENGINEERING

B.S., Civil Engineering

Cole Robison is from Orem, Utah, and attended Mountain View High School before coming to UVU. He is receiving a bachelor's degree in civil engineering with a structural emphasis. Robison said the many experiences and activities he participated in outside the classroom made his time at UVU unique. He helped repair and reinforce a survey monument at the summit of Mount Timpanogos, and he joined with UVU faculty and students on a project to create educational videos about the historic Van Buren Bridge in Oregon. After graduation, Robison plans to work at Dunn Associates, a structural engineering firm in Salt Lake City. He and his wife, Jen, enjoy playing with their dog Mogie, watching "The Great British Baking Show," and snowshoeing or skiing.

OSCAR PICCIANO

OUTSTANDING STUDENT: TECHNOLOGY MANAGEMENT & MECHATRONICS

B.S., Mechatronics Engineering

Oscar Picciano is from Stoneham, Colorado, and was homeschooled via Monte Vista Online Academy before attending UVU. He is receiving a bachelor's degree in mechatronics engineering. Picciano is an honors ambassador and won third place in mechatronics at the national SkillsUSA competition. "UVU has so many programs and opportunities where I can truly explore the kind of people I enjoy being around and trying new activities," Picciano said. After graduation, Picciano plans to go straight into industry and begin his career goal of bringing manufacturing back to the United States. He loves the outdoors, hunting, playing guitar, and sports.

Graduate Student Excellence Awards

10

TYLER HARSH

OUTSTANDING STUDENT: COMPUTER SCIENCE

Master of Computer Science

Tyler Harsh is from Lehi, Utah, and attended Riverton High School. He is receiving a Master of Computer Science degree. Harsh had previously received a bachelor's degree in computer science from UVU and was excited to hear about the university's master's program. "My goal in doing the master's program was to take as many classes as possible to learn, or start to learn, about as many topics as possible," he said. "Then I can use that to continue on after school and pursue the most interesting topics to me." Outside the classroom, Harsh enjoys riding his road bike on paved trails and heading to the theater to watch movies.

MICHAEL J. ALLEN

OUTSTANDING STUDENT: INFORMATION SYSTEMS AND TECHNOLOGY

M.S., Cybersecurity

Michael J. Allen is from Lehi, Utah, and attended Olympus High School before coming to UVU. He is receiving a master's degree in cybersecurity. After four years of online education, Allen said he chose UVU's program for its balance of flexibility and in-person instruction. Allen currently works as a senior network engineer at Hexcel Corporation and plans to earn further certifications in networking and cybersecurity after graduation. He loves spending time with his wife, Michelle, and enjoys tennis, hiking, skiing, and fly fishing.

COOPER DESPAIN

OUTSTANDING STUDENT: TECHNOLOGY MANAGEMENT AND MECHATRONICS

M.S., Engineering and Technology Management

Cooper Despain is from Blackfoot, Idaho, and attended Blackfoot High School before coming to UVU. Despain is receiving a master's degree in engineering and technology management. After earning a degree in electrical engineering from Utah State University and gaining valuable industry experience, Despain came to UVU seeking a degree that would open up new career opportunities. Despain said the best part of his UVU experience was the great professors who care about learning and the success of their students. After graduation, Despain plans to continue working as a control systems engineer while eagerly anticipating the chance to take on larger projects and leadership roles in engineering.
